LIVING TO LEARN, LEARNING TO LIVE

June 2020

Dear Parent or Guardian:

The following is a list of supplies your child should bring to school this fall for Grade One:

- *10 LARGE **UHU brand** glue sticks – no liquid glue. Please note that glue will **need to be replenished several times throughout the year.**
- 1 box of 24 Crayola wax crayons
- 1 bottle of white glue
- 1 package of 24 Staedtler pencil crayons. Please sharpen.
- Scissors – please buy **good** quality with metal blades. (**Fiskars** are a good brand)
- *1 large box of Kleenex.
- Pencil box to hold pencils, crayons, glue, eraser, etc.
- *4 white Staedtler erasers
- One 1½ white binder with clear plastic sleeve on the front
- 1 package of 25 clear plastic sleeves
- 24 HB **Ticonderoga or Staedtler brand** pencils (sharpened)
- 1 black Flair felt-tip pen
- 1 Staedtler pencil sharpener (with **attached** cylindrical container)
- Gym shoes (non skid/non marking) – a pair of **running shoes should be left at school.** Please ensure the shoes are not black soled as they mark the gym floor. If your child is in the “early stages” of learning how to tie their shoes, please choose Velcro tabs.
- Paint shirt – an adult’s old shirt with the **sleeves cut short**, or a painting apron.
- Backpack – big enough to fit library book.
- 1 set of on-ear headphones for the computer. **No** in-ear headphones please.
(These headphones will be sent home with your child at the end of the year)
- 1 container of Clorox/Lysol disinfecting wipes
- 3 reusable masks (each student will be provided with 2 more reusable masks by the school). Please send your student with a clean mask to wear at school each day.

*** These will also need to be replenished several times throughout the year.**

Items such as rulers, pens, notebooks, felt pens, binders and scrapbooks are **not required.**

****Please label** your child’s possessions (boots, running shoes, jackets, mitts, glue, eraser, etc.) with his/her name.

Thank you for your cooperation. We are looking forward to working with your child in the new term and to future contacts with you.

Sincerely,

Grade One Teachers
