JANUARY 2019

HIGHLIGHTS

From the Office

Welcome back! Returning to school in January is always filled with renewed energy and resolve to make a positive difference in the lives of all the members of our school community.

We start 2020 with a focus on our Lakeview 4 Rs- responsibility. Working with students to help them learn to accept personal responsibility is a critical part of what we do each day. Being responsible means others can depend on you. You are accountable for your actions. When things go wrong and you make a mistake, you make amends instead of excuses. When you are responsible, you keep your agreements. You give your best to any job. Responsibility is also one of the personal growth areas we report on in our Report Cards.

As we begin the New Year it is always a good time to focus once again on our personal goals and to adjust and fine tune the steps we must take to achieve them. I encourage parents to sit down with their child(ren) and discuss their performance, celebrate the successes and develop goals and next steps.

It looks like we are heading into some colder weather. Sometimes the changes in weather bring more illnesses into your homes and the school. Help us prevent the spread of illnesses at school by following these guidelines:

Keep Your Student Home For Fever Over 100.4 F /38 C Fever Free – Remember, your student must be fever free without the use of fever reducing medications for at least 24 hours, before returning to school after an illness. Your child also must remain home until 24 hours after last vomiting or diarrhea episode. Thanks for helping reduce spread of illnesses.

Finally, I wish everyone a very Happy New Year and I look forward to witnessing the many successes and achievements of our students as the year unfolds.

Ms. Walmsley- Principal of Lakeview Elementary

From the Office of the Superintendent

Elementary schools throughout Lethbridge School District No. 51 are asking parents and caregivers to be vigilant with respect to obeying parking and traffic laws around our schools. Drivers are also asked to proceed safely and slowly in school parking lots, and to ensure students are dropped off and picked up on the correct side of the street, to avoid students having to cross multiple lanes of traffic. We have had a number of close calls this school year, and student safety is of the utmost importance.
