FEBRUARY 2020

## HIGHLIGHTS

### From the Office

Principal's Message... February looks like it will be a very busy month at Lakeview. Different classes will be participating in local field trips and special activities such as Inuit Day, and Science Sizzle. Grade 5 Basketball games continue Mondays and Wednesdays until our final tournament on February 28. Lakeview has been busy registering Kindergarten students for next year. If you know of any family or friends that have kindergarten aged students for the fall, please encourage them to contact our office.

The weather can be quite unpredictable at this time of year- sunny and spring-like one day and freezing cold the next! Please make sure your child is prepared with clothing suitable to the weather as we go outside several times a day in all but the coldest (-20) weather.

The Lethbridge School Division 51 is hosting its annual Town Hall meeting on Tuesday February 11<sup>th</sup> at 6:30. Each year the Town Hall looks at different questions. This year it focuses on two questions:

First question: ***What resource allocations make the most significant impact to the school experience of students?***

Second question: ***What are some new and innovative ideas the Board can think about to maximize resource allocations?***

If you are interested in, and able to attend this meeting please contact the school office and let us know. We need parent representatives from Lakeview to attend and have their voices heard. Thanks in advance for any help with this! We will have a break from school the week of February 17<sup>th</sup> to the 21<sup>st</sup>. The teaching staff will be busy learning at Teachers' Convention on the Thursday and Friday of that week. The staff at Lakeview hope you all enjoy this time together as a family.

Ms. Dawn Walmsley

### PARENT COUNCIL CORNER

Hello Lakeview Parents,

Our annual Superhero Fun Run will take place on May 6<sup>th</sup>, and although that may seem far away, an event of this size takes a lot of work and planning! We are seeking volunteers to help us get ready for this awesome community event. If you are interested in finding out what volunteer opportunities are available, please contact Tiffany Hill at [tiffanyhill360@gmail.com](mailto:tiffanyhill360@gmail.com).

Thank you so much for your help! This run could not happen without all of our wonderful volunteers.
