

HIGHLIGHTS

From the Office

Dear Parents and Guardians of Lakeview,

I am not sure what happened to February, but here we are in March! We did finish off February with a lot of wonderful fitness activities and opportunities for our students. The snowshoes arrived just at the time we had snow in our field, and the timing of that almost never happens! Our Mission Impossible obstacle is set up in the gym, and our students are having fun and challenging themselves as they work through the Birthday Party theme we used for this year (Our 60th Birthday!). We have installed and will be installing more patterns for our "Don't Walk in the Hallway" activities. If you are in the hallways you will notice brightly colored patterns on the floor encouraging purposeful movement throughout the school. We want to have our students be as active as they can! We also just finished a wonderful season of grade 5 Basketball. Special thanks to our staff for coaching, and to all of the families who transported students to the different schools and showed them support along the way!

To keep us active as we move into the spring the Lakeview Running Club meets every Monday, Wednesday and Friday weather permitting. Our Super Hero Fun Run is coming up in May (registration is open now!) and that's a great opportunity to show off the skills your child has gained in Running Club. It's also one of our main fundraisers for the year so please consider signing up as a family!

Our second term report cards will be released online this Friday. If you have any difficulty viewing your child's report card please contact the office and we can help you out. The report card is an important piece of communicating your child's progress. Parent/Teacher Conferences will also be this month. We will be sending home information regarding how to sign up online, in case you have forgotten from the last report. We look forward to seeing you here and discussing how we can continue working together to help your child achieve their goals. We are in this together!

Please feel free to contact me at the school anytime, I do appreciate your questions and concerns.
Dawn (Ronne) Walmsley

PARENT COUNCIL CORNER

Hello Lakeview families,

At our last School Council meeting, we discussed upcoming fundraisers, the hot lunch menu, and the future expansion of the outdoor basketball court.

Our next meeting will take place on March 17, from 7:00 - 8:00 pm in the learning commons. We welcome all Lakeview parents to come out and join us!

Rachelle Ririe—School Council Chair

PARKING SAFETY

Please help us keep our students safe by parking safely in designated parking spots. The 2 Handicapped stalls in front of the school are only to be used by Access-a-ride, and cars with visible Handicapped parking permits. There are two bus zones; one alongside the school playground/field and a City bus zone across the street from the school. Please do not park in these areas. Parking between cross walks is not allowed. At the back of the school there are signs indicating that it is a staff parking lot and not a drop off/pick up zone. Students walk through these areas and parents should not be driving through. We have been informed that LPS will be starting to ticket people who are violating these rules. Thank you for your help in keeping everyone safe!

Grade 2's Thank You!

The Grade 2 Teachers would like to thank all the Home Reading Volunteers from October to January. Your assistance is what makes this program successful. As well, a HUGE thank you to the many parents and grandparents who helped with the various craft centers and gym activities on Inuit Day. The children had a wonderful time and it was a terrific way to culminate our Iqaluit unit.

HOT LUNCH

We will have 2 Hot Lunches this month! March's Hot Lunches will be chicken from Mary Brown's on Thursday, March 12 and burgers from Dairy Queen on Thursday, March 26. Please go online to SchoolCash Online to place orders! Orders are due on Wed. March 4 and Wed. March 18. Thank you to all the families that support our Hot Lunch program, it is a great fundraiser to our school!

UPCOMING AND ONGOING

- Fri Mar 6** — Second Report Card available online
- Sun Mar 8** — Daylight Savings Time starts (Turn Clocks Ahead!)
- Thu Mar 12** — Hot Lunch, Mary Brown's
