DECEMBER 2020

HIGHLIGHTS

FROM THE OFFICE

Dear Families of Lakeview,

And just like that—it's December! I know this holiday season feels different this year, and it absolutely is. Here at Lakeview, we have lots of special events and activities planned to continue to make this a positive festive season for our students. We are working on something to share with the families as well. We miss your positive presence in our school!

I know there are many questions and concerns regarding the Public Health measures our province has taken that affect our schools. We are working on sharing information regarding what the week of January 4 – 8 online learning for students grade K-6 will look like in terms of scheduling (students will not be in front of a computer for 5 hours per day) and content (full curriculum delivery- all subjects taught and assessed). We are very hopeful our community follows all Public Health measures that will keep our community safe and healthy so we can be back to in-school learning for those families that have selected it as soon as possible.

On behalf of all of our staff I would like to send my best wishes for a safe, healthy, and happy holiday season. It will be different, but strong memories are created by having different experiences. Please be well, and feel free to contact me at school if you have any questions or concerns.

SCHOOL COUNCIL CORNER

Hello Lakeview Parents,

Thank you to those who were able to join us at our last School Council meeting, via Teams. It appears we may need to continue using this platform for the upcoming months, so please watch for invitation links to these meetings. For those who are not able to join us virtually, the meeting minutes can be found on the school's website, under the Parents tab -- School Council.

We won't be having a meeting in December, so please join us for our next one on January 19th at 7pm. Thanks for your continued involvement and support!
