No Superhero run or Little Souls – looking at same schedule as past years of MON-WED-FRI runs. Encouraging Parents/Students to submit photos and share stories to share with the school regarding running virtually
- From Michelle L., Learning Support Teacher = Activity for School, GAGA Ball
It's like Dodgeball but in a contained "pit" – there are lots of videos online to show. There is simple rules and can be played by anyone. Lakeview purchased the Brackets to build the "pit". Looking for Help with the Lumber Costs & the Building of the Pit. It will be Octagon in shape to allow the most space for play. Looking to put outdoors in the courtyard area. TIME & MONEY is what Lakeview is looking for. Project time frame and spec's will be gathered and then next meeting can look at a decision once more information available. This project will give the kids another outdoor activity – once warmer weather arrives
Lakeview has other outdoor games for the kinds including: Jenga, Checkers and Snakes/Ladders
- From Rachelle, Parent/Chair = New in Gym Mask Rule
The Teachers were given a Reminder to be aware of Safe Distance/Mask Wearing Rules for Lakeview – A Class was witnessed to be in the Gym in a Close Huddle with No Mask on. Some kids were given the reminder from the Teachers but some kids had miscommunication of what the reminder was reminding. Dawn will pass along the miscommunication back to the Staff. It was a not a New Rule for the Gym that was given but just a Reminder to be Mindful of the Distance with NO Mask in the Gym
