JUNE 2021

HIGHLIGHTS

FROM THE OFFICE

Dear families of Lakeview,

June is here and we are so thankful to have our students back with us in school, and very thankful to our At-Home learning students for continuing to be committed to their learning. With moving in and out of school and classes being quarantined it has been a long year! We are so proud of all our students who have filled our days with excitement and fun this past year.

Our year end committee has created a lot of activities to make the end of this school year fun and positive. Please check the calendar for the dates and descriptions. Thank you to our school council for funding our Kite day on June 18!

I would like to take a moment to thank the Lakeview School community for their support of the school especially during these last two years of challenge. It has been my sincere pleasure to be a part of Lakeview School and I will miss working with the precious students and their families. I know the school will be in excellent hands with Mrs. Connie Adserballe and Mrs. McMurray as the new admin team, and I will be cheering everyone on as you begin another school year in the fall.

I hope you all have a wonderful, safe, and happy summer!

Ms. Dawn Walmsley - Principal

SCHOOL COUNCIL CORNER

Hello Lakeview families,

As our year comes to an end, I want to say a huge thank you to our school council members, who have still supported our school throughout this crazy last year.

We hope that next year will be a little more normal, and that we will be able to resume in-person meetings again. There will be no meeting in June, so we will see you in September!
