HIGHLIGHTS

FROM THE OFFICE

Oki! Our report cards were recently made available to families, and I hope everyone has had an opportunity to spend time celebrating their child's progress. I am so proud of our school community and the learning that takes place each day.

We are looking forward to a busy few weeks before the holiday break. Our student leadership group is planning a variety of activities to celebrate the different cultures represented at Lakeview and our hard-working school council has planned a wonderful winter celebration.

This is also the season of giving and we're grateful for all the organizations that work hard to make the holidays better for everyone in our community. Even though our school is not a drop off location this year, donations of unwrapped gifts for the Angel Tree are accepted at many locations across the city for those families interested in helping our community in this way.

I would like to wish everyone a joyful holiday season filled with wonderful memories. If you're planning on travelling, please review Canada's requirements for fully vaccinated travellers and unvaccinated children less than 12 years of age linked [HERE](#)

All the best,
Connie Adserballe, Principal

SCHOOL COUNCIL CORNER

Season's Greetings Lakeview families. The school council has been hard at work planning a fun Winter Wonderland Celebration for the students. We hope they enjoy the activities we have planned. We could use some parent volunteers to help on Dec 15. If you are able to help, please contact me at candicebeattie@hotmail.com or Laura Smith in the office.

This time of year is full of excitement and joy and hopefully snow to play in. We wish everyone a wonderful December and safe and fun holiday break.

-Candice Beattie, School Council Chair
