FEBRUARY 2022

## HIGHLIGHTS

### FROM THE OFFICE

Oki! February starts out with welcoming the Chinese New Year and learning about some of the wonderful traditions and celebrations of this holiday. This month will also learn about the experience of Black Canadians, past and present, and their vital role in the community. Students will have opportunities to read books, watch videos and engage in rich discussions to further their understanding of Black History Month. Lastly, from Valentine's day celebrations to Pink Shirt day, we will be spreading a message of kindness and respect, building friendships, celebrating diversity, and making good choices. As always, please reach out with any questions or concerns.
