MARCH 2022

HIGHLIGHTS

FROM THE OFFICE

Oki! There are so many wonderful things happening at Lakeview this year and I am so proud of our student community. This month we're celebrating all of our students during parent/teacher conferences. These meetings will be online and details will be sent to you by your classroom teacher. As well, please check out our outdoor classroom and the fantastic finger knitting that students have decorated the fence with. It is wonderful to see this space being enjoyed by students throughout the day and by our families before and after school as well. We're also making lots of changes in our school to create better learning spaces for students. For more information about what is happening at Lakeview, please go to our school website or join us at the next school council meeting.

All the best,
Connie Adserballe, Principal
