APRIL 2022

HIGHLIGHTS

FROM THE OFFICE

Oki! We've been enjoying the wonderful spring weather, and taking every opportunity to get outside to learn. It's also been wonderful to meet more families at the part after school. The Running Club is starting next week, and this is another way to be together and build community. Our teachers are excited to be booking field trips for May and June, so look for that information in the coming weeks.

We're also busy planning for the new school year. If you haven't completed your registration, please do so as soon as possible. This information is very important for decision making and determining class sizes.

Please join us in person for our next school council meeting on April 26th at 7pm in The Learning Commons to learn more about Lakeview Elementary.

SCHOOL COUNCIL CORNER

Spring is here! It is wonderful to see kids running and playing outside once again. The School Council has a few more things planned and we invite all parents to join us at School Council meetings to find out what events are upcoming and how you can help. Our next meeting is April 26. Enjoy your Easter Break!

FUNDRAISING OPPORTUNITY

The leadership group is holding a "Toonies for Ukraine" fundraiser. We will be collecting cash donations from **Apr 4-14** to assist those who have been affected by the War on Ukraine. Students can bring their donations to their classrooms, which will be collected by the office. All monies will be donated to the Humanitarian Coalition to help purchase emergency supplies and provide health care and child safety.

As a thank-you, the leadership group will be handing out lemonade to the students on April 14th. For more information on the Humanitarian Coalition, please click [HERE](#)
