

HIGHLIGHTS

FROM THE OFFICE

Oki!

As the new principal to Lakeview Elementary this year, I have been struck by the care and attention teachers take in displaying and celebrating students' art. Even when our building was closed to the public, teachers continued to ensure our hallways were bright, imaginative spaces for everyone to enjoy. Next week, we will host an open house so families can stroll the hallways and enjoy this same experience. We hope you take the time to enjoy our special hallway art walk.

Planning for the new school year is in full swing. If you haven't already completed the registration forms for 2022-23 that was sent to you via email, please do so at your earliest convenience. As always, I look forward to hearing from you with questions or concerns.

Kindly,
Connie

SCHOOL COUNCIL CORNER

Spring is (hopefully) here to stay! Thanks to all of the parents who ordered cookies for our Special Delivery Day, as well as those that helped sort cookies. We hope that all of the students were excited to receive their special treat.

Please remember to support our final fundraiser of Kernels Popcorn! This money goes towards a fun year-end surprise for all students.

Thank you!

OPEN HOUSE ART WALK

In celebration of Education Week, Lakeview Elementary School welcomes families to an Open House Hallway Art Walk on Thursday, May 5th. The school will be open from 6:30-7:30pm, and families are invited to stop by during this time to enjoy the artwork displayed throughout the hallways. Please note that the classrooms will be closed during this time. As well, our exterior windows will be decorated in yellow and blue art to support Ukraine.

THINGS TO KNOW

- Visit our webpage [HERE](#) to learn more about how to report your child's absences
- Kernels® Popcorn Fundraiser -> orders due May 6th
