## HIGHLIGHTS

### FROM THE OFFICE

Oki! Welcome to the new school year! We're so happy you're here. A special welcome to those who are new to our school community. We are excited to meet you and hope you love Lakeview with its beautiful playground and outdoor spaces, and especially the wonderful staff and students that make this school extra special.

I am so happy to be the principal of this amazing school. I love elementary school and all the opportunities I have as an educator to help children fall in love with learning. I am passionate about building a joyful, inclusive and equitable school culture where all children can thrive, and I'm looking forward to making Lakeview even better

Please feel free to reach out anytime, especially if there's anything I can do to make your Lakeview experience better. See you soon!

Connie Adserballe, Principal
