

## HIGHLIGHTS

### FROM THE OFFICE

Oki! It's been a wonderful start to the school year, and we already have so much to celebrate. I hope that the enthusiasm we feel in the school is shared with you at home too. We look forward to meeting with you later this month at the parent teacher interviews held on October 20 and 21. These interviews provide us with valuable insights and information about your child's learning style and we hope that every family will be able to attend.

It has been so nice to connect with many of our families at the Meet the Teacher night, Terry Fox run, and the School Council meeting.

As a school, we continue to move forward in an ongoing journey of Truth and Reconciliation. This week all of our students participated in a special division-wide collaborative project: Pathway to Reconciliation. Lakeview's Pathway to Reconciliation will be installed in our Outdoor Classroom before being collected and made into a "stepping stone" for each classroom. These stones will then be displayed throughout our school community.

As always, please reach out if you have a question or concern, or to share something you love. We appreciate your feedback.

Connie Adserballe, Principal
