JANUARY 2023

HIGHLIGHTS

FROM THE OFFICE

Oki! I hope everyone has a restful and rejuvenating winter break and a happy New Year. We are looking forward to setting goals and working hard to build new skills in all subject areas.

This month is filled with lots of new learning opportunities and a school wide book celebration. Building reading lives that last continues to be our goal at Lakeview and our Literacy Committee is busy planning lots of exciting opportunities for students to engage with books.

As well, the Lethbridge Library Book Mobile will begin stopping in front of our school this month.

Finally, January 27 is family literacy day and this year's theme is Celebrate your Heritage. Students are encouraged to check out books from our school library collection written in lots of different languages.

All the best,
Connie Adserballe

Our Early Education program has a few spaces open for January in our morning class. They are available for children who will be turning 5 by Dec. 2023 and moving into Kindergarten in the fall. Our morning class runs M-TH, 8:30 -11:15 am.
