FEBRUARY 2023

## HIGHLIGHTS

### FROM THE OFFICE

Oki! The month of February is filled with opportunities to express gratitude and show acts of kindness. From Valentine's Day to Pink Shirt Day our students are learning to think about others and make choices to build a strong and caring community. As well, some of our classrooms are participating in the Kitsikakomimm project, an initiative from the Lethbridge School Division Indigenous Education Department to support the SAGE clan. Our school will be making cards, writing inspirational notes and drawing pictures that encourage others.

We have also launched a schoolwide celebration of the book, *The Boy, the Mole, the Fox, and the Horse* by Charlie Mackesy, an inspirational story about love, kindness, hope, friendship and so much more. Each classroom from Kindergarten to Grade 5 has a copy of the book and we're looking forward to sharing our learning in various ways throughout the school.

Kindly,  
Connie Adserballe
