

It's important to keep children reading over the summer so they don't lose the literacy skills they learned in the previous school year. There are many options for Lakeview students to stay engaged and reading over the break. Places such as the Lethbridge Public Library have many exciting and FREE programs to check out and explore with your child.

TD Summer Reading Club

Sign up at any Lethbridge Public Library location. Once you have signed up in person the rest of the program can be self-guided and online.

In the Club kids can:

- Create an online notebook
- Read ebooks
- Vote in the Battle of the Books
- Review books
- Participate in weekly trivia
- Write stories
- Read and write jokes
- Read an original web comic
- View author/illustrator readings and workshops
- Print colouring sheets
- Find the perfect book

There's something for everyone, including kids with print disabilities, and preschoolers and their families.
