

HIGHLIGHTS

FROM THE OFFICE

Oki! It's been a wonderful start to the school year, and we already have so much to celebrate. I hope that the enthusiasm we feel in the school is shared with you at home too. We look forward to meeting with you later this month at the parent teacher interviews. These interviews provide us with valuable insights and information about your child's learning style and we hope that every family will be able to attend.

It has been so nice to connect with many of our families at the Meet the Teacher night, Terry Fox run, Walk for Reconciliation and the School Council meeting.

As a school, we continue to move forward in an ongoing journey of Truth and Reconciliation. For the past two weeks all of our students have participated in a special division-wide collaborative project: Run for Reconciliation. We ended the week with a walk around our community and a sampling of berry soup in the outdoor classroom.

As always, please reach out if you have a question or concern, or to share something you love. We appreciate your feedback.
