NOVEMBER 2023

HIGHLIGHTS

FROM THE OFFICE

Oki! This month is filled with lots of opportunities for students to learn and grow. To start the month, we will have a school wide outdoor assembly this Friday, and next week our students will participate in a Remembrance Day service.

I want to express our gratitude to all of our families for supporting the Book Fair and our Kernels fundraiser. We raised \$2275 from the book fair and \$5317 from Kernels. These funds will go directly to purchasing new books and providing field trips and other amazing opportunities for our students.

Grade 5 Monday/Wednesday after school volleyball has started and our Grade 5 students also have the opportunity to learn volleyball skills on Tuesdays throughout November with Coach Ard, an exceptional community volleyball coach. Lastly, after school choir and handbells are in full swing.

As always, thank you for being such tremendous partners in education.

SCHOOL COUNCIL CORNER
