

January School Council Notes

Lakeview Elementary School Council
January 23, 2024
Learning Commons

In Attendance: Candice Beattie, Koralie Sugimto, Lauren Granberg, Connie Adserballe, Melanie McMurray, Saara Dewall, Jen Carey

Welcome and Land Acknowledgment – Candice Beattie

Review of Minutes

Approval of Minutes – Koralie motion and passed

Approval/Additions to Agenda – Candice motion and passed

Treasurer's Report

Candice went over e-mail, field trips and Panago Fundraiser money already in place
Every time that something goes in or out of that account Karla lets Candice and Stacey know, we try to stay in that cost and the budget that we have created. We budgeted ten thousand for field trips, and teachers stay within that
Uniforms – half paid for from Panago Fundraiser
Looks what it should be thus far

Administrative Report

Town Hall we still need three parents to attend and at least one more grade five student – we currently have one
Great way to have input and see direction of the board and the why behind it
It is Tuesday February 6th from 6:30-8:15
Please let Connie know if there is anyone who might be interested

Thanking of Panago for their support, he topped it up for \$750.00 which was lovely
We did purchase our uniforms, quoted at \$1700.00 but it came in lower at \$1400.00
Kids loved the uniforms!
Safeway Fairmont, and Samuel who organized that. \$40.00 a week for snacks and putting into teacher's mailboxes instead of having to come down to the office

Southern Alberta Biker's Association \$500.00 for poverty
Bottomless Drilling Company – R. Prete – intention to pay for Kindergarten swimming lessons \$2000.00
the city will give discount on bussing (four lessons per class) a bit left over and it will go to music
Katie Saruwatari who sponsored the popcorn
The Beattie Family who supplied the hot chocolate for the winter festival
Cobbs who continues to support our community
No longer doing the program previously but new owners want to work with our school
Pilot a program in March – Dough for Schools, details to come

Grade Four parents they will be receiving an Assurance Plan Survey in the mail and students will do it here at school, typically low turnout so we would like to have as many people participate as possible
The wording on occasion can be confusing for parents, Connie sends out vernacular terms or answers beforehand
“I don't know” counts as a “no” - so we would like to help give parents the tools to answer the questions
The timing is a bit different
Connie will write something to share information with parents
Intentional when we have lower scores

Kindergarten Registration started on Monday, let parents know who live in boundary – early registration gives a good idea of how we can prepare
Dividing the classes in September is challenging, so the earlier the better
Lots of registrations already

Celebration of Learning is coming up in March
There will be celebrating learning and students will be leading parents through what they're doing in class, be able to get a good understanding of where parents are at
Staff – Lakeview received BOOST .45 teacher, science to grade 3 and will switch to grade 2
Gives our grade 3 teachers a thirty minute intervention block
Kathleen Schell – now until the end of June
Grade 5 was divided into three groups, we were monitoring grade 5 all fall and then in December we kept getting new enrollments and it coincided with the time the gov't gave supported growth
Our Grade 5 teacher who was half time and now full time
Kids review is not to be so crowded in classrooms
We had planned the year with the possibility of this happening so we the transition is seamless
It's good because they know each other well and kids are still able to be together
Our learning support teacher has moved to the ED center filling in for a leave, we have someone filling in for him – Rebecca Divine

We had a winter contest, Dress for the Weather – catching kids wearing great winter clothing
Basketball in full swing – Candice and Stacey are volunteers, thank you for that

You never know the challenge when we start with a new team, as they start to play sports and the focus really is on fun
The Grade 5s were buzzing today about their third game
Excited and just so happy

District School Council Rep – still needs a rep

Saara does go for Patterson on a third person rotation

She will dually represent Lakeview when it is in her rotation

Division one is the week before our meetings

Sharing what schools are doing, Connie will attach the minutes to our agenda when Saara doesn't go to share highlights

School Trustee Liaison, Genny Steed

They were looking for policy review, and so there is a link available

School updates and different things

Old Business

1. Budget - note admin report

New Business

2. Fundraisers –

Panago - February 13th

Kernels Popcorn – doing it after Easter, aim for April – Karla will arrange it

3. Special Delivery

January 31st or February 1st suggested

School needs about a week with a parents to organize

Safeway?

Still worth an ask for Safeway

The cost is (previous years) at a certain amount

Do we need it as a fundraiser?

Not specifically, but any profit went towards Kona Ice

Koralie funded and paid for all that

Kona Ice is around \$900.00

400 cookies are needed

They would need at least, a week's notice at Safeway for an order that big

Costco was closer to 24 hours but Safeway had better choices

Safeway was more money

Admin will reach out to Safeway bakery and management

Options for cookies

Snack Factory did not want to do it

Hey Dough lady makes smaller ones, and dippers

Admin will look through options

Date February 29th – Special Day and a Special Delivery

Our goal is (and they will) have every kid get a cookie and any profits will go towards going to another fun surprise in June

Fun to not tell the kids the date

Put on SchoolCash on the 12th and have it ordered by the 20th deadline for payment but that

date wasn't listed, we can put it aside for them and close it on the 15th so we know numbers on the 16th

Melanie will look into Safeway and Koralie will get the cost from Hey Dough

Planning for 400

4. Lakeview Days - one of the days is Kona Ice, Karla will contact them will plan for 400

Meeting Adjourned: 7:46 p.m. next meeting March 19th
