APRIL 2024

## HIGHLIGHTS

### FROM THE OFFICE

Oki!

This month we will celebrate Education week from April 15-19. Our students will have lots of opportunities to engage in literacy and numeracy activities that demonstrate how "Learning Uplifts All"! We are especially looking forward to welcoming all families to our numeracy evening, that will be filled with lots of fun math games and challenges. As well, we will be highlighting lots of books and having a few dress up days too!

I would like to wish all our families a lovely spring break. To those who celebrate, I would also like to wish you a Happy Easter.

Kind Regards,

Connie Adserballe, Principal

Early Education Program
