### Areas of success

Lakeview Elementary School celebrates the growth and achievements of our students and we're committed to ensuring the measure of education quality remains high. Our emphasis on citizenship education through universal programming has contributed to a stronger sense of belonging. As well, our school wide assemblies and weekly wellness blocks have emphasized our commitment to nurturing social emotional learning and strengthening positive habits that contribute to the wellbeing of every child.

### Areas for growth

Although we receive data from our school community in various ways, the small survey size from parents is a significant challenge. The school will seek ways to increase participation in the following ways: provide an opportunity to complete the survey at the school, share more communication from the school around the survey and the activities our school participates in to help parents feel more informed around the survey and

### Evaluation

Lakeview's growth observed in students' citizenship skills is encouraging and reflects the success of efforts to instill a sense of responsibility and community engagement. By building on these achievements, we can continue to mold students into conscientious, socially aware, and ethically responsible individuals who positively contribute to their communities and broader society. Some of the strategies our school is implementing to educate students in the are of citizenship include:

- School wide social emotional learning program, Second Step, taught by our teacher counsellor and student support worker
- Intentionally designed spaces to promote the practice of self regulation in an authentic way (WIN room, play commons, creative commons, reading room)
- Increased time to learn/play outside
- Monthly outdoor school wide assemblies
- Weekly wellness blocks for all students where students are able to experiment with a wide range of activities
- Soft start to each day where every student has an opportunity to engage with an adult before the day begins
- A variety of extra curricular activities including volleyball, basketball, handbells, choir and running club
- Leadership opportunities such as environmental stewardship, partnerships with a care home for seniors, and caring for our community through activities like food drives

#### Evaluation

Creating a safe and caring respectful environment continues to be a focus for our school and we're very pleased that the student measure has improved significantly. We continue to focus on building a school culture where students feel nurtured and see themselves in every space. One way we are meeting this goal is through our Learning Commons. Our yearly plan ensures that as the hub of learning in our school, this space models inclusivity, creativity, and critical thinking.

### Evaluation

Communication with parents is a priority for our school this year. The following family engagement evenings have been planned to promote community and to bring parents into the school:

- Popsicles in the Park
- Family Game Night
- Family Wellness Dance
- Literacy Showcase
- Celebration of Learning

As well, our staff have developed a school communication policy to ensure that families feel connected, supported and feel a sense of belonging. We have adopted several communication tools to meet the diverse needs of our community: common messenger app, phone calls, face-to face meetings, email and printed notes.

We have developed a year at a glance calendar that highlights events at Lakeview and our families are invited to monthly assemblies and all special events.

Sharing student progress is important to us and we've added an additional parent/teacher conference night to ensure parents have the time to discuss challenges and successes about their child's progress. As well, all families attending Learning Team meetings receive an individualized phone call.

## SUPPLEMENTAL MEASURE: Program of Studies

Percentage of teachers, parents and students satisfied with the opportunity for students to receive a broad program of studies including fine arts, career, technology, and health and physical education

	School										Measure Evaluation
