Good Movement

Our middle schools have been participating in Good Movement! Good Movement is a local Indigenous business owned by Tyler SWAG. Tyler and his knowledgeable team guide youth through fitness training as well as traditional games and encourage a healthy lifestyle, teamwork, and confidence. We are looking forward to our continued partnership with the Good Movement program. Click the photo below to check out the Good Movement website.

Reconciliation in Flight

You may remember our Reconciliation in Flight project from last year! The beautiful art piece is complete and the Honouring Traditions and Reconciliation Society would love for schools to have the chance to host this beautiful collaborative art piece.
